SCHEDULE

If an athlete is not present at the posted match time, the opponent must notify the Tournament Co-ordinator immediately.

- The Tournament Co-ordinator will penalise the athlete one frame and place the athlete "on the clock."
- The Tournament Co-ordinator will subsequently penalise the athlete one game for every 5 minutes, until he or she is present.
- If the athlete is not present after 15 minutes of being placed "on the clock," it is a forfeit.

PRACTICE

- No open practice is allowed at all on the feature table. The two athletes scheduled on the feature table may shoot one rack each prior to the match.
- Between sessions, after all official matches have concluded, practice will be allowed.
- If a table does not become available until match time, athletes may shoot one rack each prior to beginning the match.

DRESS CODE

APPROVED CLOTHING

This tournament will enforce the dress code described in the WPA Rule Regulations: [Click Here](#). This is the minimum required dress code, and athletes may choose to wear a waistcoat under the same conditions.

Athletes need to be dressed professionally during the entire event, not just during their match. This includes practice, meetings, and the public areas of the venue.

PROHIBITED CLOTHING

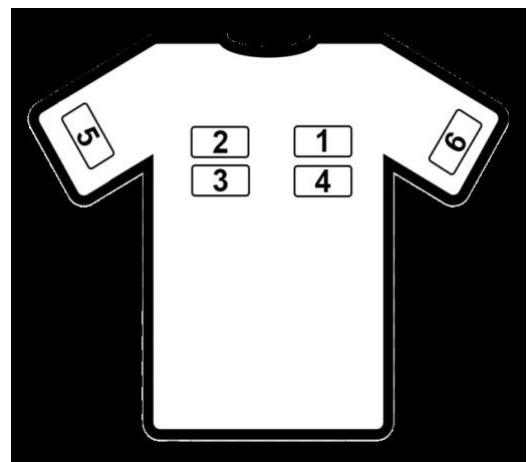

Under no circumstances will the organization accept any of these clothing:

- Athletic wear of any kind, including but not limited to sweats, swimwear, jogging suits, uniforms, jerseys, or any type of pants with contrasting stripes not associated with formal wear.
- Shorts of any kind, regardless of apparent length. Pants must be normal in respect to the appropriate rise in relation to the length of garment and may not be excessively baggy or loose fitting.
- Overalls, coveralls, jeans, hats, headphones, or earpieces (unless medical need, proof required)

LOGOS & PATCHES

Athletes may wear a maximum of four (4) of their own logos on playing apparel (“Athlete’s logos”). All logos, including apparel brand logos and federation logos, are included in this maximum of four (4) restriction. Athletes may display a fifth logo if this logo is an official partner of the event. These logos should be placed in positions 2- 6 on the diagram. Text on jerseys will be treated as a sponsor logo, unless it is the athlete’s name, nickname, or country they represent.

In addition, the organizers may provide athletes with one additional patch for the event. This should be displayed as shown in position (1) on the below image.

Logos may not exceed sixty-five (65) square centimeters. The athlete must submit to the organization, before his or her first match, samples of all sponsor logos for approval. Logos should only be worn in the positions shown in the image to the right.

The organization reserves the authority to disallow any sponsor logos for any reason, including but not limited to not submitting logo for approval or conflicting with any other event or broadcast sponsor.

ATHLETE AGREEMENT

By registering, athletes agree to follow all terms and conditions set by the event organizers and partners. Participants under 18 must have guardian consent. Athletes must review and comply with the latest Athlete Guide and Tournament Regulations and accept that these may be updated before the event.

Organizers reserve the right to determine eligibility, deny entry, adjust formats or payouts, and make changes due to unforeseen circumstances (e.g. weather, emergencies).

Participation is voluntary and at the athlete's own risk. Organizers are not liable for injury, illness (including COVID-19), or other losses. COVID-related safety protocols—such as masks or distancing—must be followed.

Disqualification may result in forfeiture of prize money and suspension from future events.

By registering, athletes grant the right to use their image, name, and likeness for event promotion and media without compensation. Email addresses and contact numbers may be added to the event mailing list to receive updates and important information.
