PRACTICE SHOTS:

Maximum 10 practice shots are allowed on the allocated table before the match. There is no practice before or post the matches.

FOUL & MISS RULE:

- A player will have to hit the ball if he is snookered (this is mandatory).
- If a player misses, it will be called a foul & miss and the player who has snookered him, can ask the ball to be re-spotted. However, there will be a **maximum of 3 foul and misses** i.e. after 2 re-spots, the third miss will be considered as a foul 'only'; after which player will have the following options:
 1. Play from where the handball has come to rest
 2. Claim a free ball (if it is one)
 3. Ask the opponent to play again
 - In case, while attempting to break a snooker and a free ball position comes into existence, there will still be a total of ONLY 3 fouls & a misses i.e. ONLY 2 re-spots. If the third shot to break the snooker fails then it will only be considered a foul.
 - Please note that everyone must make a genuine attempt at removing snookers. After 2 attempts at removing snooker, a player just cannot play the handball in any direction, which is obvious that he has not made an attempt to remove the snooker. In such a case, he will be penalized with a foul (due points will be given to the opponent) & can be asked to play the shot again (re spotting).
 - **4 snookers or more on the colour balls is considered as frame over.**
